## **OUR VALUES**

### **A diverse and inclusive culture built on human values**

This is a place where we believe in the power of people. Where teamwork wins. That's how we put commitment into practice. This is the company that inspires. To learn, to teach, to grow. To get things done. This is a company that motivates. We make a difference. Because your business is our business. Together, we build partnerships that perform.

## **OUR PEOPLE**

### **We hire and develop the best talent in the industry**

We use responsible, inclusive and efficient recruiting practices to attract the best talent, and then invest heavily in employee empowerment, growth, and development to maximize each employee's potential.

Diversity, inclusion, and equality are core to our culture. We are the most globally diverse business service provider in the industry, and believe that our differences make us stronger. We are many, but act as one.

- We believe in the power of people
- We inspire and motivate
- We welcome and accept

### **Be part of something bigger than just a job**

## **OUR CSR**

### **Creating a better and fairer world**

We are committed to gender equality, fighting climate change, and being a top employer

### **Improving lives everywhere**

We believe in the vision of the Global Impact Sourcing Initiative: all people have the opportunity to obtain productive employment.

### **Minimal impact on the Earth**

With employees leading our Citizen of the Planet initiatives in their communities, we are able to track and reduce our carbon footprint.

### **Providing a great place to work\_**

We offer employees programs for engagement, well-being, diversity and inclusion, human rights, training, and health and safety.

**A diverse, equal, and inclusive team**

Our perspective is shaped by the experiences of our gender-diverse, differently abled, multicultural workforce.

**Human rights and environment**

Our codes and policies align with the United Nations Global Compact principles: human rights, labor, anti-corruption and environment.
