We are a powerful trading house brokering transactions in the food, feed and chemical (industrial chemicals) industries. We work with companies in more than **100 countries** around the world.

In 2021, we formed a team of **35 specialists** currently we already employ **more than 100 people**. Thanks to our innovative approach, we are constantly growing, working in an international environment, employing professionals in their field.

We look for **passion and motivation** in people, not background, experience or history.

Foodcom is the place to spread your wings!
